Got Rust?

We have created this new "SUPER STARTER KIT" for our customers anxious to try out the entire 3-step POR15 rust-stopping system.

You'll get a 4 ounce can of POR-15® (enough to cover 12 square feet), a half-pint of METAL READY™, A 8-ounce bottle of our famous MARINE-CLEAN™ (the world's greatest Water Based Degreaser), two wooden handle paint brushes and a pair of our special high-dexterity surgical latex gloves. More than enough to get you started. Weather it is repairing the rust in your battery tray, a cab corner, door bottom or floor pan.

\$21.95 per kit (Ground shipping only)
